

## **A Note About Serving / Following:**

Mission service is real life discipleship. It's hard. It's tiring. It's challenging. It takes a servant's heart and a sacrificial spirit. There is no room for a whining, complaining, or critical attitude. It will be one of the greatest experiences of your life, but it is NOT about YOU. Count the cost and check your attitude before jumping in. You CAN make a difference.

## **Terminology**

You will note that certain opportunities are available to Christian students and some are available only to Baptist students. The distinction is drawn simply because some missionaries and churches specifically request Baptist students. Baptist students are defined here as students who are members of a church affiliated with the Southern Baptist Convention, Georgia Baptist Convention, or National Baptist Convention. Christian students are here defined as students who are members of a Christian denomination and are active in a Baptist Collegiate Ministry on a university or college campus in Georgia.
